

SKYLEADA BANTAM

by Ron Warring

32" span version for Kalper-32 diesel and rudder only R/C. Also ideal for electric power.

With thanks to Keith Harris who can supply plans for the original 44" model (and hundreds more).

The Kalper-32 replica is available from Dave Banks, 46 Queensway Road, Kingsbury, London NW9 8LT. Dave has a range of mini diesels

Make 19 ribs 1/16" or 1/20" sheet (One spare)
Lightening holes are optional.
4 root ribs have slots for the dihedral brace.
Use light quarter grain wood
