

Pacific Ace Jr.

Full Scale Size

15 inch wing span

Build sides of fuselage on plan then put together on view of top of fuselage.

Pacific Model Aircraft Supply's 15" Pacific Ace Jr. inspired the Modelcraft Pacific Ace series of rubber- and gas-powered, some of which had other names (e.g., the 40" Cloud Hunter in rubber and the 46" Miss Tiny and the 54" Sky Baby and Westwind in gas.
